Parent Governor Election Results

Following the recent Parent Governor election, we are required by the Kirklees Election Procedure to publish the results.

There was one Parent Governor vacancy and the parent elected was:

Mrs W Kachmarski

The amount of votes per candidate is shown on the table below:

Name of candidate	Number of votes received
Wendy Kachmarski	62
Lorraine Simpson	58
Justine Watson	55
Katie Rhodes	25

We received 14 ballot papers after the deadline of Friday 19th October 2018. These were invalid.

We are very pleased to welcome Mrs Kachmarski to the Governing Body. Thank you very much to all those who applied and to those who voted.

Thanks also to Mrs Simpson who attended the count in school.
